Washington D.C. - April 27, 2021 - Saint Lucia like many other countries, has mobilized efforts to assist and bring relief to the People and Government of Saint Vincent and the Grenadines affected by the ongoing eruptions from La Soufriere volcano. Support is being provided by the North American based Consulates and Missions of Saint Lucia (Washington, New York, Miami and Canada), with these offices collaborating with the various Government of Saint Vincent & the Grenadines entities, and our own Diaspora associations / communities in efforts to source resources and supplies critically needed.

For up to date information on donating please visit the Saint Lucia Embassy, Mission and Consulates websites and Facebook pages for approved entities.
